

**Dr. Carl Muller BVSC, DIP AC, CVA (IVAS), GRADDIP ANIMALCHIRO
Senior Lecturer**

Dr Carl Muller graduated from University of Melbourne in 1968. He entered mixed practice and worked in regional Victoria with primarily cattle and horses, before focusing on small animal practice in Melbourne and the UK. He established the Prahran Veterinary Hospital in 1975 and recently retired and now works as a consultant in the fields of acupuncture and chiropractic at this ASAVA accredited practice.

Carl developed an interest in acupuncture during the 1980's and undertook a human acupuncture course graduating with Diplomas in Acupuncture and Chinese Herbology. Carl integrates Acupuncture, Chinese Herbs and Chiropractic modalities into veterinary practice.

Carl is one of the foundational members of AVAG and has been a lecturer of the Australian IVAS Certification course since its establishment in 1991. He brings a detailed knowledge of Traditional Chinese Medicine theory as well as a breadth of clinical experience in integrating Chinese Medicine with conventional veterinary medicine.
