

**IVAS CE Breakdown for
CIVT / ATTH Introduction to Chinese Herbal Medicine for Veterinarians**

CIVT / ATTH Introduction to Chinese Herbal Medicine for Veterinarians	IVAS CE
--	--------------------

Jan 22-25	Module I	
Wednesday, January 22, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Introductions (to one another, and the course) (Heilman)	0.00
10:00-10:50	Chinese Medical Theory: Yin, Yang, Zang Fu Organs and Vital Substances (Heilman)	1.00
11:10-12:00	Chinese Medical Theory: Yin, Yang, Zang Fu Organs and Vital Substances (Heilman)	1.00
12:10-1:00	Chinese Medical Theory: Yin, Yang, Zang Fu Organs and Vital Substances (Heilman)	1.00
2:30 -3:20	Chinese Medical Theory: Yin Yang, Zang Fu Organs and Vital Substances (Heilman)	1.00
3:30 - 4:20	Introduction to Chinese Herbs: Nomenclature, Classification, Preparation, Taste and Function (Heilman)	1.00
4:40-5:30	Qi Tonic Herbs (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
5:40 -6:30	Qi Tonic Herbal Formulas (History, Design and Use) (Heilman)	1.00
8:00 -9:00	Introduction to the Six Conformations and the Acupuncture Channels, Pulse Response (Heilman)	1.00
Thursday, January 23, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Chinese Medical Diagnosis in Veterinary Practice: History Interpretation (Heilman)	1.00
10:00-10:50	Chinese Medical Diagnosis in Veterinary Practice: Physical Examination (pulse, tongue, point palpation, acupuncture) (Heilman)	1.00
11:10-12:00	Chinese Medical Diagnoses incorporating Zang – Fu Physiology and Pathophysiology	1.00
12:10-1:00	Chinese Medical Diagnoses incorporating Zang- Fu Physiology and Pathophysiology	1.00
2:30-4:20	Acupuncture, Pulse, Tongue Laboratory (Practice arriving at a Chinese Medical Diagnosis) (Heilman, Bausone)	2.00
4:40-5:30	Blood Tonic Herbs (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
5:40-6:30	Blood Tonic Herbal Formulas (History, Design and Use) (Heilman)	1.00
8:00 -9:00	Correlating Acupuncture and Herbal Prescription: Six Conformations Representation of The Lung and the Lung Channel (Heilman)	1.00
Friday, January 24, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Chinese Medical Theory: Eight Principle Theory in Clinical Practice (Heilman)	1.00
10:00-10:50	Chinese Medical Theory: Eight Principle Theory in Clinical Practice (Heilman)	1.00
11:10-12:00	Yin Tonic Herbs (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
12:10-1:00	Yin Tonic Formulas (History, Design and Use) (Heilman)	1.00
2:30-4:20	Acupuncture, Pulse and Tongue Laboratory (Practice arriving at a Chinese Medical Diagnosis) (Heilman, Bausone)	2.00
4:40-5:30	Blood Tonic Herbs (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
5:40 -6:30	Blood Tonic Herbal Formulas (History, Design and Use) (Heilman)	1.00
8:00-9:00	Correlating Acupuncture and Herbal Prescription: Six Conformations Representation of The Large Intestine and L.I. Channel (Heilman)	1.00

**IVAS CE Breakdown for

CIVT / ATTH Introduction to Chinese Herbal Medicine for Veterinarians		IVAS CE
Saturday, January 25, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Chinese Medical Theory: Six Heavenly Influences and the Six Pathogenic Factors (Heilman)	1.00
10:00-10:50	Chinese Medical Theory: Chinese Medical Diagnoses including Zang, Fu, Pathogenic Factors (Heilman)	1.00
11:10-12:00	Yang Tonic Herbs (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
4:40-5:30	Correlating Acupuncture and Herbal Prescription: Six Conformations Representation of The Stomach and the Stomach Channel (Heilman)	1.00
6:40-7:40	Review of Module 1, Closing Remarks, Assignments (Heilman)	0.00
Total IVAS CE - Mod I		34.00
Feb 19-22	Module II	
Wednesday, February 19, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Review of Module 1 (Heilman)	1.00
10:00-10:50	Case Presentations (4) and Case Questions (Students)	1.00
11:10-12:00	Chinese Medical Theory: Physiology and Pathophysiology of the Spleen (Heilman)	1.00
12:10-1:00	Diuretic Herbs that Drain Dampness (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
2:30-3:20	Aromatic Herbs that Drain Damp and Expel Wind Damp (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
3:30-4:20	Qi Moving and Regulating Herbs (Lab and Lecture; Physical Appearance, Taste and Function) (Heilman)	1.00
5:40 -6:30	Formulas that Drain Damp and Expel Wind (History, Design and Use) (Heilman)	1.00
8:00-9:00	Correlating Acupuncture and Herbal Prescription: Six Conformations Representation of The Spleen and the Spleen Channel (Heilman)	1.00
Thursday, February 20, 2020		
7:00-8:00	Tai Chi, Qi Gong Breathing, Meditation (Heilman)	1.00
9:00-9:50	Qi Moving Formulas (History, Design, Use) (Heilman)	1.00
10:00-10:50	Downward Draining Herbs and Herbs which Move Downwards (Laxatives) (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
11:10-12:00	Formulas that Drain Damp and Expel Wind (History, Design and Use) (Heilman)	1.00
12:10-1:00	Formulas the Drain Damp and Expel Wind (cont.) (History, Design and Use) (Heilman)	1.00
2:30-4:20	Acupuncture, Pulse, Tongue Laboratory (Practice Arriving at a Chinese Medical Diagnosis) (Heilman, Bausone)	2.00
4:40-5:30	Herbs that Transform Damp Phlegm and Hot Phlegm (Lab and Lecture; Physical Appearance, Taste, and Function) (Heilman)	1.00
5:40-6:30	Formulas that Transform and Dispel Phlegm (Heilman)	1.00
8:00-9:00	Correlating Acupuncture and Herbal Prescription: Six Conformations Representation of The Heart and Heart Channel (Heilman)	1.00
