

IVAS NEEDLE PARTNERSHIP OPPORTUNITY 2023-2024 YEAR

We at The International Veterinary Acupuncture Society (IVAS) would like to take this opportunity to invite you to become a Needle Partner. As a non-profit organization we appreciate the relationship and support we have with our Needle Partners.

IVAS has been setting the global standard in veterinary acupuncture since 1974 and we currently have members in over 65 countries. Becoming an IVAS Needle Partner introduces you to these members through our website and publications. Our publications, *The Point*, a quarterly newsletter and *The Flashpoint* a monthly e-newsletter are digitally distributed to our members and partners. The IVAS website includes a partnership page that lists our Platinum, Gold and Silver Partners with their company information and links to their websites. We also will include a short description of your business and the products/services you provide. As an IVAS Needle Partner you will have the capability to showcase your products and services to a group of veterinarians dedicated to an integrative approach.

IVAS would like to invite you to become an IVAS Needle Partner and start your benefits during the coming year.

- Online partner presence, with a link to your company website on the IVAS Partner Page
- Link to your website in *The Flashpoint e-Newsletter* from IVAS
- One (1) free ad in one (1) issue of *The Point* (size based on Partnership level)
- Opportunity to showcase your business or service in one (1) issue of *The Point*

- Needle Partner Recognition in *The Flashpoint e-Newsletter* (8 times per year) and *The Point* 4 times a year)
