Name: _____

CHOOSE YOUR FOCUS OF STUDY: This will be for your IVAS Certification.

IVAS offers the ability to choose your area of focus for your certification. You may choose to focus on small animals, equine or both. Your area of focus will determine your certification, and you will need to choose this when you register for the course. This allows IVAS to tailor the hands-on labs for your area of study. IVAS does recommend a focus on both small and large animals as this affords you the greatest opportunities in the future.

☐ Small Animal (Canine) ☐ Large Animal (Equine) ☐ Dual (Equine and Canine)

You must submit a copy of your current veterinary license or, if a third- or fourth-year vet student, a letter from the school stating that you are currently enrolled as a veterinary student and your expected graduation date. We also need a quality head shot photo of yourself either emailed or mailed. The photo is used in a roster for all students, teaching associates, lecturers and IVAS staff to help everyone associate names with faces.

I have the following dietary restrictions (i.e. peanut allergy; vegan; no red meat; **NONE**):

_____
